Purpose

West Michigan Homeschool Fine Arts Association (WMHFA) is a non-profit organization whose purpose is to assist and support families in the musical education of their homeschooled children. The motive behind this is to glorify God as we allow Him to create opportunities for our children to minister through music. As believers in God, we desire to be used by Him to create a thirst for righteousness as we minister before those who do not know Him. As we instruct and lead our children, God will increase their abilities to accomplish His purposes, bringing Him glory. The programs offered by WMHFA are not designed to meet all the musical educational needs of a child; rather they are intended to supplement the musical training received in homeschooling.

Statement of Faith

WMHFA has a statement of faith that is reflected in its purpose as stated above. The statement of faith is not meant to exclude anyone from WMHFA; rather, it is presented so that anyone wishing to join will be aware of the tenets of the group. Along with our purpose, this statement of faith will serve as a foundation for harmonious unity, for mutual support, and for developing character in our children, which will be an outgrowth of their faith. Following is a summary of the Statement of Faith.

We Believe...

- The Bible is the inerrant, inspired Word of God.
- There is one God, who is eternally existent in three persons: God the Father, God the Son and God the Holy Spirit.
- Man, though created in God's image, has been separated from God by sin through birth and by choice (action).
- Jesus Christ came to earth to pay the penalty for our sins by His death on the cross.
- God's love for mankind was the motivation for Christ to come and die for us.
- Salvation and eternal life are offered as a free gift to each person.
- Genuine trust in Christ will result in a commitment to Him, love for Him, and a desire to please God.

Beginning Band is for students with little or no musical training on a chosen instrument. To participate in Beginning Band, students must be at least 9 years old and attend an Instrument Fitting. The **Instrument Fittings** will be conducted during the summer. See the dates and sign up for the session that best fits your schedule by going to wmhfa.org. *If you already have an instrument, please bring it to the fitting for our instructors to inspect.*

Students interested in Beginning Band percussion (drums):

- No previous percussion (drum) lessons are required
- Students must have at least 2 years experience on piano/keyboard/mallet percussion within the past 3 years. A keyboard/mallet audition is required. Prepare a piece of your choice. Bring your music and current book to the audition.
- **Auditions** are by appointment only during the summer. To schedule an appointment go to wmhfa.org
- All students must pass a rhythm evaluation with the beginning band instructor
- The instructor will select a maximum of 7 students for the percussion section of the Beginning Band. Students will be chosen based on the individual cumulative scores of the evaluations listed above.
- **Returning Students** enrolled in a higher level band need to be aware that only one returning (multiple-instrument) student will be chosen for Beginning Band percussion each year.

Advanced Handbells 1:25 pm—2:25 pm
Intermediate Handbells 11:45 am—12:45 pm
Elementary Handbells 9:00-10:00 am

Because regular attendance of each member is crucial to the success of the group, only students who can commit to attending every or nearly every rehearsal and performance should participate. Attendance at the last few rehearsals prior to a performance is especially crucial. Basic music theory is introduced in varying degrees at each level, which is helpful to students in all of their musical endeavors.

- **Elementary Handbells** is a beginning level class aimed at students new to formal music instruction ages 7-10. Older students may also enroll. Students begin the year on handchimes, which have a beautiful sound, are easy and fun to play, and are a great tool for learning the techniques of ringing handbells, which are then introduced later in the year. Students are expected to be able to read, follow directions, and be emotionally mature enough to withstand the inevitable frustrations that come with learning something new and being part of a group. Music reading skills and prior musical experience are helpful, but not required for participation. This class is a great way to develop and sharpen music reading skills and overall musicianship!
- **Intermediate Handbells** is a follow-up class to Elementary Handbells aimed at students ages 9-12 who have experience reading music. No prior experience with handbells is needed for participation, but completion of at least one year of handbells, band, choir, or orchestra is helpful. Students will learn various basic handbell techniques and rehearse and perform a wide variety of handbell literature at an intermediate level.
- **Advanced Handbells** is follow-up class to Intermediate Handbells aimed at students ages 10 & up who are able to comfortably read music. No prior experience with handbells is needed for participation, but completion of at least one year of handbells or other musical instruction is very helpful. Students will learn various basic and advanced handbell techniques and rehearse and perform a wide variety of handbell literature at intermediate & advanced levels.
- **Aurora Handbell Choir** is our most advanced handbell class and is open to students ages 13 & up who have very strong music reading and rhythmic skills. Prior handbell experience is strongly recommended. Students will develop advanced handbell techniques and rehearse and perform a wide variety of handbell literature at a very advanced level. Performance at Kentwood Community Church on a Wed. morning in Jan. or Feb. is required for all participants.

Beginning Guitar

Taught by: Mrs. Danielle DeBone
Wednesdays, 1:55-2:55—Grand Rapids

This class, for ages 11 and up, will involve learning the basics of playing an acoustic guitar: posture, tuning, strumming, and finger picking. We will learn some scales and read melodies on a staff, but will also focus on chords and reading chord sheets. We will also spend class time learning basic music theory. This class intends to set students up well to join a church worship team, play popular music while singing along, and understand overall song structure of modern (worship) music.

WMHFA Has the Supplies You Need!

Your class fees cover the cost of the supplies you need for class. Come to the Information Table where we have books, stands, reeds, oils, rosin, strings, etc. If we do not have it we can usually have it for you by the next week.

Important information for students not in classes

PLEASE DO NOT USE WMHFA AS A DAY CARE PROVIDER! If you are waiting at the building during your child's class, please keep your non-students with you at all times. We have many students using the buildings every week and have found it necessary to have all students in a class or with their parent in a Study Hall or a Social Hall to maintain order. Students will not be permitted to roam the facilities, inside or outside, unsupervised.

Nursery for Instructors & Helpers

A staffed Nursery is available for instructors and those who are helping out in other areas of the building.

Nursery for Parents

Parents of small children who are waiting on students participating in classes may use the nursery as well if there is room, but they must stay with their children in the nursery. Although the nursery is staffed, the nursery helpers are only responsible for children of instructors or other WMHFA helpers currently working.

Social Hall/Study Hall

Many students may have to wait quite a while between classes or have to wait for a sibling to finish classes; therefore we provide a Social Hall or a Study Hall to assist in keeping them occupied. The Social Hall/Study Hall areas are not always supervised, so parents must be responsible for supervising their own children.

- **The Social Hall is** for conversation and game playing. It is not for loud, obnoxious behavior or roughhousing. At times a class will meet in the same area (for example, the gymnasium.) Students are to be quiet and respectful to the instructor and students in the class. Failure to cooperate will be grounds for disciplinary action.
- **The Study Hall is** a quieter room that will be available all day for families waiting on students participating in classes. Parents are free to bring their children into the Study Hall and do schooling with them.

PLEASE DO NOT DROP YOUR CHILDREN OFF AND LEAVE THEM UNLESS THEY ARE ENROLLED IN CLASS. WMHFA is not responsible for the supervision or care of children left unattended at the building. Students who are not enrolled and are on the premises without an adult will be asked to call their parents and be picked up.

Students not enrolled in a class must be under the supervision of a parent or other designated adult at all times.

Expectations

Age

WMHFA is for all homeschool students between the ages of 5 to 19. See class descriptions for specific age requirements. **Students must be the appropriate age at the start of class.** For exemptions, see the instructor.

Daily Practice

Daily Practice is required for most classes. Specific requirements will be assigned in class. Typical requirements would be practicing at least 5 days a week and/or 2 1/2 hours per week. Beginning students will gradually increase their practice time throughout the first few months. Weekly practice records must be signed by parents and turned in every week at class. If a student does not practice, they may have their seating changed, be placed in a lower ensemble, or may be dismissed from the class.

Attendance

Students are expected to attend all rehearsals, concerts, and performances. Students are required to attend the rehearsal prior to a performance unless excused. Students missing more than two rehearsals within a concert period or missing a rehearsal prior to a performance may have their seating changed or may be denied permission to perform.

Equipment

Students may be issued equipment for their classes such as books, stands, flags, poles, etc. These belong to WMHFA and must be returned in good condition when finished. Normal wear and tear is acceptable. If the student wishes to keep the equipment, they may purchase it from us.

Uniforms

Students must wear uniform shirts (provided by WMHFA) to weekly classes. New students will receive a sport shirt for no additional cost. Returning students may purchase a new shirt for \$17 or exchange last year's shirt for a different color or size. **Exchanged shirts must be clean! Most exchanges will be for a gently used shirt.**

Concert uniforms are required to participate in all performances. WMHFA will provide the required uniform components to those who need them (except for shoes). Students who already have the required uniform items will not need to order new items. WMHFA will not be responsible for replacing lost items or items damaged by misuse. Students will not be permitted to perform if they are not in the required uniform. Uniform pieces are to be considered on loan only and should not be used for non-WMHFA purposes. When the student no longer needs the piece for WMHFA, it is to be returned.

Performance Information (Concerts & Parades)

- Students must arrive in FULL DRESS with all necessary equipment.
- Brightly colored lipstick and nail polish is not permitted.
- Uniforms **must** be clean and pressed.
- Shoes **must** be clean and polished.
- While in uniform, students MAY NOT eat or drink anything other than water or non-staining foods.

Private Lessons

Private lessons may be offered during the day of classes for a variety of instruments. Private lessons ARE NOT a requirement to be in WMHFA but are strongly encouraged. A student who receives individual instruction will generally progress faster than those who do not. Instructors will notify you if your child is struggling and will need lessons to keep up with the rest of the class.

Fees

Class Fees may be paid in full or may be paid by using the following payment plan: 50% of Class Fees paid by September 6, 2023; 100% of Class Fees paid by November 30, 2023. If there are special circumstances that may cause your payment to be late, please contact us to make arrangements. Students with unpaid fees may be prevented from participation at concerts. **Note: If you drop a class, you are required to pay the balance of your tuition.** (See "Questions & Answers" - page 10 for more information)

A **Late Fee** of \$5 per month will be charged for Class Fees not paid in full by the due date. **Unpaid Class Fees may cause your child to be dropped from the class or prevent participation in a concert.** Again, if there are special circumstances that may cause your payment to be late, please call and make arrangements.

Concert Fees of \$3/seat will be charged to cover the cost of auditorium rental. Tickets go on sale several weeks prior to the concert.

Dropping A Class

If you need to drop a class, please notify us at office@wmhfa.org.

Requests for Refunds follows this schedule:

- 75% refunded after 9/13/23
- 50% refunded after 9/20/23
- 25% refunded after 9/27/23
- No refunds after 10/4/2023

Parental/Family Involvement

Due to the number of students involved and a desire to keep the cost of our programs reasonable, we find it necessary to require all families to be involved in the operation of the WMHFA. One job requires approximately **16 times (about 1½ hours each time)** of commitment from a family. Families with 1 to 4 classes will be asked to do one job. Families with more than 4 classes will be asked to do two jobs.

A detailed list of jobs and times will be available online. A link will be emailed to you after your enrollment is received. There are certain jobs or times of the day that are harder to fill than others. Please try to sign up for these jobs to help us fill the schedule.

Sign up as soon as possible so we can have the fall session filled by September 2. Families who do not respond by September 2 may have a work responsibility assigned for them.

Non-Involvement Fee* - If you miss a work assignment, it is your responsibility to notify the Parent Absence Coordinator so that a substitute can be found. A \$20/week Non-Involvement Fee will be charged to those who miss without notification. If you are healthy but too busy to help, you will be charged (\$360 per year for families with 1 to 4 classes and \$540 per year for families with more than 4 classes) to be of help in a different way. Indicate this when you enroll online.

**The Non-Involvement Fee is NOT covered by Homeschool Partnerships*

Report Absences

If your child will be missing a class you must report the absence at www.wmhfa.org under "Parent Login"

Parental Supervision is required for all children not attending classes. If you must stay during class time, there will be designated areas available for you to take your children. There are to be no children running around inside or outside the facilities at any time. Please pick your children up as soon as their class is over.

WMHFA is not set up to be a day care provider. We barely have room for all the students who must be here for classes.

Student Guidelines and General Rules

Rules

WMHFA has student guidelines and rules that every student is expected to follow. The guidelines and rules can be found below. Every family enrolling in WMHFA must sign an agreement stating they will abide by the rules.

We require all WMHFA students to exhibit the following minimal personal virtues:

- Kindness
- Truthfulness
- Courtesy toward others and respect for their property rights
- Punctuality in attendance and work
- Respect for and obedience to those in authority
- Diligence in effort and attention

Instrument Code

- Students should never play another student's instrument.
- Students other than the percussion students should never play on the percussion equipment.
- Students other than colorguard should never touch the colorguard equipment.
- Parents are financially responsible for the cost of repairing damage caused by the negligence or neglect of their child to WMHFA owned instruments and equipment.

Building Code

The atmosphere of our buildings must be one of order, discipline, and cooperation. No running or roughhousing will be permitted. Absolutely no food, drink or gum will be allowed outside of designated areas. Personal media players are not allowed. Please remember we are guests in the facility. Let's work together to leave the building in as good, or better, condition than we found it. Parents are financially responsible for the cost of repairing damage caused by the negligence or neglect of their child to the building.

Cell Phones

Cell phones may not be used by students while attending a class. Violations may result in the phone being confiscated until the end of class.

Drugs and Weapons

No harmful substances will be allowed in or around the facility. This includes alcohol, cigarettes, or drugs. Bringing anything to the facility that is usually thought of as a weapon is prohibited.

Dress Code

We have a responsibility to create an atmosphere which enhances and adheres to the purposes we have established. Student appearance should be modest and in good taste so as not to offend or draw undue attention to oneself. The neat appearance of our students helps to create a positive learning environment and reflects the philosophy and standards of WMHFA.

The following dress code requirements assist in achieving the goals mentioned above.

Shirts – All students are required to wear a WMHFA sport shirt.

Pants/Slacks – Dress or casual pants only. Pants must be neat, and not torn, ragged or faded. They should be of the correct size, not too tight or too baggy and must fit at the waist. No "jean" styles, denim fabric, hip-huggers, tight or sagging pants. Leggings do not qualify as pants/slacks. (Jeans may be worn during Marching Band.)

Shorts – The length of shorts must not be higher than three inches above the floor when kneeling. Shorts must be neat, and not torn, ragged or faded. They should be of the correct size, not too tight or too baggy, and must fit at the waist. No "jean" styles, no denim

fabric, and no athletic shorts except during Marching Band.

Skirts – The length of skirts, including slits, must cover the knee or be longer. Skirts must be neat, and not torn, ragged or faded. They should be of the correct size, not too tight, and must fit at the waist. No "jean" styles, hip-huggers, or tight skirts. Appropriate length skirts must be worn over leggings.

Sweaters/Sweatshirts – Sweaters and Sweatshirts must be modest, loose fitting not oversized. Sweatshirts must be plain or home school group related. There must be a tucked in WMHFA sport shirt beneath sweaters or sweatshirts.

Colorguard – WMHFA sport shirt or modest, loose fitting "homeschool themed" T-shirts tucked into modest, loose fitting athletic pants. Shirt must not come un-tucked when arms are raised above the head. This clothing is permitted **only** during Colorguard rehearsals. If Colorguard students are at the building outside of class, they must change into appropriate clothing.

Hats – Caps, hats, bandanas, dew rags, sunglasses, etc. may not be worn in the building by boys.

Jewelry/Hair – No earrings, chains, bracelets, nail polish, feminine makeup, or excessive/unusual dyed hair on boys. Boys' hair may be no longer than the eyes, the bottom of the ears, and the collar.
- No body piercing jewelry or exposed tattoos on anyone.
- Faddish, radical or unkempt hairstyles and unnatural hair colors are to be avoided by all students (boys and girls).

Violations – Students violating the Dress Code may be given appropriate clothing at the cost of the family or will not be allowed to attend classes or other functions. Unless otherwise approved, this policy will be in effect during all WMHFA activities.

Students, parents and teachers who have questions about the specific guidelines should check with the Executive Director. It is the responsibility of the Executive Director to determine what is permissible.

Conduct

This code of conduct will be enforced before, during, and after class anywhere on the property where the class is conducted. The following behavior will result in immediate disciplinary action:

- Foul language or unwholesome talk (Eph. 4:29)
- Roughhousing
- Disruptive behavior during rehearsals
- Physical display of affection (hugging opposite gender)
- Disrespect for those in authority
- Drugs and/or weapons
- All other inappropriate behavior as deemed by the director

Damage done to the facility or its equipment will be the financial responsibility of the people involved in causing the damage.

Violations

The Executive Director and instructors are free to discipline, as deemed fit for each offense, but in most cases will use the following guidelines. If the guidelines and general rules are violated, a verbal warning will be given to the student. A record will be kept of the verbal warning. On the second violation, a written notice will be sent home to the parents. A student with a second violation may be dismissed from current or next rehearsal or performance. If there is a third offense, the student may be dismissed from WMHFA for the remainder of the year.

Students may be immediately dismissed without warning for gross infractions such as fighting, illegal activities, or immoral behavior.

Dismissed students who desire to reenroll in the program must meet with parents and Executive Director to determine if re-enrollment is allowable.

Questions & Answers (Q & A)

Q: What if the total cost is too much for me to pay all at one time. Can I make payments?

A: Yes. The Class Fees may be paid in any frequency that meets this schedule: 50% of the Class Fees are due by September 6, 2023, and the remaining balance of Class Fees are due by November 30, 2023**. If you withdraw or your child is dismissed, you are required to pay the entire balance of your tuition.**

***A \$5 per month late charge is added each month starting in December. In the event of a bounced check, bank charges will be passed on, all future fees must be paid with a money order and a valid credit card must be kept on the family account.*

Q: Do previously enrolled families need to enroll again?

A: Yes. Each annual session begins in September and ends in August. To begin a new session requires re-enrollment.

Q. Why do I have to commit to the whole year and pay for it even if I drop out?

A. We require that you seriously consider whether or not your students should be involved in WMHFA each year. We consider music education to be of great value and importance, on a par with all other academic subjects and sports programs and hope that you will give this program the serious commitment it deserves. We know that there are special circumstances which may cause you to have to leave the program so for that reason there are a few exceptions to this policy:

- **Serious illness in the immediate family**
- **Death or unemployment of a parent**
- **Family moving more than 50 miles from WMHFA**
- **NO exceptions are made for students who tire of the program, re-enroll in public or private school, or who don't want to practice.**

We have made commitments to our directors and their salaries continue, even if your student does not.

Q: Where can I get the supplies needed for my child to be in the program?

A: For your convenience, all of the supplies regularly needed by students are available from WMHFA at the Information/Supply Table. These include items such as valve oil, slide/cork grease, reeds, books, etc. These items are included in the cost of enrollment.

Q: How does WMHFA communicate to all the families in the program?

A: To keep our families informed of what is happening at WMHFA, a weekly newsletter is emailed to every family. Updates and urgent information is sent out as needed. Please notify us at office@wmhfa.org if you are not receiving the weekly newsletter.

Q: How do we handle a complaint? What is the procedure for solving a problem?

A: 1) Go to the person directly involved in the problem (e.g. volunteer worker, instructor, or administrator) please do not complain to people not involved, it only breeds more complaining, negative, critical attitudes, and makes things seem bigger than they really are. Calmly explain your position and seek for peaceful resolution.
2) If going to the person responsible does not solve the problem, go to the person responsible for that individual (volunteer department leader, instructor, or administrator). Again calmly explain your situation to this person in charge. Work together on a solution
3) If going to the person in charge does not solve the problem, go to the executive director.

Q: Who do we contact if we have more questions about WMHFA?

How to get FREE CLASSES with WMHFA

1. Home School Partnerships

Home School Partnership is a program school districts may have available to home-educated students. Participants in Home School Partnerships may qualify to have WMHFA class fees paid by the school district. School districts with Home School Partnerships include Gull Lake, Portland, Berrien Springs, Bangor, White Lake, Hamilton, Three Rivers, Jenison, and Niles. For information visit the school district website and search for "Home School Partnership". (Some classes are not covered by Home School Partnerships.)

2. WMHFA Fundraising

Throughout the year, WMHFA offers a variety of fundraisers. These fundraisers not only help raise money for WMHFA but also help families pay their class fees. Each fundraising opportunity is a joint effort benefitting both WMHFA and the participating families. Fundraising information will be announced in the newsletter. Due to legal restrictions, we cannot give funds directly to families except for the RaiseRight program. The money raised can only be used for WMHFA expenses.

3. Do your shopping with RaiseRight/Scrip Gift Cards

"What is RaiseRight?" RaiseRight has agreements with 100's of retailers, restaurants, gas stations etc. across the nation that are willing to give you a small rebate to shop at their store. Also known as SCRIP, this gift card fundraising raises money while you make everyday purchases.

"How does this work?" You buy gift cards to stores that you are willing to shop at, like Meijer, D&W, Staples, Speedway, Barnes and Noble, Wal-Mart, Lands End, Ace Hardware, Lowe's and many more locations. You pay face value and your account gets the small rebate. Once you get used to buying gift cards and beginning to plan ahead, all those small rebates begin to add up.

"Do I get all the rebate in my account?" No. This is a fundraiser for WMHFA. Your family will receive 80% of the rebates and WMHFA will keep only 20% of the rebates earned to cover shipping and administrative costs plus help the program a little. What a way to help out WMHFA by purchasing gift cards to places that you already shop at. A Win/Win for everyone!

"When will I see these rebates in my family's account?" RaiseRight rebates are posted to family accounts on December 1st, April 1st and August 1st. (yes we sell RaiseRight during Marching Band!!) Cash rebate checks are mailed once a year in August.

"How do I get started?" Go to www.RaiseRight.com click on "create a new account," fill in the information on the first page. The WMHFA enrollment code is 9D8AF44A1551. We are registered as West Michigan Homeschool Fine Arts. You are now ready to place your order, PRINT your order and write a check to WMHFA for the total amount and turn in both to the RaiseRight table.

"Why should I start to buy these gift cards now?" What you buy now will help you with your tuition payment. Once you get in the habit of planning ahead you will see those small rebates adding up quickly. The RaiseRight program is a wonderful way to budget your pay check and stretch your money. This program is also Dave Ramsey approved. Thinking of home improvements? Buy one or two \$25 gift cards at a time to your favorite store for home improvements that participates. By spring you have enough saved and your music program tuition will be less. Same goes for Christmas, vacations, birthdays, anniversaries etc. Plan ahead now, budget those large ticket items by buying \$25 at a time. Keep these cards in a safe place and enjoy the benefits!! What a great way to be generous and not have it all come out of one pay check!!

West Michigan Home School Fine Arts Association, Inc. holds to the truth that all people, regardless of race, are created in the image of God. Therefore, we will not discriminate against any student on the basis of race, color, or national origin. All students are precious to us and will receive just treatment and equal opportunity for advancement.
